FCC MAIL ROOM

To: The Chief, Allocations Branch

COMMENTS

Comes now L. Topaz Enterprises, Inc., ("LTE"), and submits this statement of continuing interest in the allocation of a Class C3 FM channel at Cody, Wyoming. LTE had submitted a Petition for Rule making for Channel 273C3 at Cody, which unbeknownst at the time, was mutually exclusive with the proposal to allocate Channel 273C at Meeteetsee. The Commission has identified Channel 244C3 as an alternate channel for Cody, and LTE fully supports the alternate channel.

LTE will, upon the adoption of a *Report and Order* allocating Channel 244C3, or any other equivalent-class channel to Cody, file an application to construct and operate a new FM broadcast station at Cody, Wyoming.

Based on the foregoing, we respectfully request that this proposal be adopted and the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, be amended to include the allotment of Channel 244C3 at Cody, Wyoming.

Respectfully submitted,

L. TOPAZ ENTERPRISES, INC.

A handwritten signature in cursive script, reading "Dale A. Ganske", is written over a horizontal line.
